A battle not for you to fight.

All glory, praise and honour to Almighty God who reigns from Heaven with Majesty and splendor. It indeed is an honour and a privilege to be a part of this historic team; Sümi COVID-19 Committee formed under Western Sümi Hoho and Western Sümi Baptist Akukuhou Küqhakulu to show our faith gesture, which in other words would be putting what we believe into practice. It is Christian also to be human. It was intensely during the most needed and the crucial time that our leaders took bold decision totally immersed in faith to come forward in helping our fellow Nagas who returned from different parts of India.

It is truly divine to see our great leaders humbled down to do mean jobs serving others. COVID-19 might have devastated the world in many ways, world economy is shrinking and economic recession is unavoidable for all the countries that are effected by this deadly virus. Millions have lost their dear and loved ones while millions are infected and yet millions around the world are effected by COVID-19 but on the other hand, God is also healing and restoring the world in many ways.

And therefore as Christian's there is always a MESSAGE OF HOPE in the midst of trials and troubles. As the world reels under the spread of deadly COVID-19 pandemic and every individual irrespective of caste, colour or creed fight for survival from this plague, here is the most comforting message from Jehovah, "If disaster comes upon us, the sword, judgment, or pestilence, or famine, we will stand before this house, and before you, for your name is in this house, and cry to you in our distress, and you will hear and save." 2 Chronicles 20:9.

And the Lord of hosts continues to comfort us by saying, "This battle is not for you to fight; take your position, stand still, and see the victory of the Lord on your behalf, O Judah and Jerusalem.' Do not fear or be dismayed; tomorrow go out against them, and the Lord will be with you." 2 Chronicles 20:17

Our God will not only save the souls of those who believe but will surely save their physical body of this earthly life from bodily destruction too. Therefore let us not be dismayed but be comforted and be encouraged with these facts that our God will save us from this pandemic and fight for us to give us the victory for His name sake. Praise the Lord.

“LIVING OUT ITS CULTURAL TAPESTRY”

An enchanted story ever heard
With mere mouth yet, never run out of words
The words as sweetened with honey to its hearers
That breaches the heart and pleases the ears
With proud spirit held our heads high
To pass on from one generation to another

Behold! With simplicity and modesty always lived
Glued with helping hand and hard work
With tender hearted and lofty ambitions
Clothed with pacesetter and pacifies the conflict
Like the woodwind of an orchestra
Sings the laze and melancholic away
And paves the way for merrymaking and togetherness

Its handiwork so splendid with well carved and well furnished
And finely knitted all the finery
To blend with its colour and music
Its brotherhood strongly bonded
Like the cluster of stars that makes a strong warrior
And like a rainbow that appears in wilderness
That not even a whirlwind can break its bond

Forgive us! If we have not followed thy footsteps
And have been so obstinate and ignorant
Hypnotized by unwelcome culture and worldly madness
And have erased that was once in scripted
When confusion's our companion, bless us with your bliss
That our identity may not wash offshore

Yet behold! An enchanted story
One day when its stories told
There will be more words to fill the page
That will enthral the readers and hearers of all ages
Because of its charisma so magnificent and delicate
Which is a beacon of hope, that forever and ever will live in
the bosom that was forever in scripted.
