## DR. ANDREW AHOTO SEMA

Chairman  
Livingstone Foundation International

### MESSAGE FROM CHAIRMAN, LFI

*"Share with the Lord's people who are in need. Practice hospitality." - Romans 12:13*

During this unprecedented time of the **COVID-19 pandemic**, when every section of our society is facing a human crisis, we, at **Livingstone Foundation International** have chosen not to feed the virus of fear, but of love. We are therefore focused not on isolation, but on connections; not on differences, but on commonalities that unite us together as a family.

In this spirit of human brotherhood, Livingstone Foundation International is indeed blessed to be one of the **COVID-19 quarantine centres** of Dimapur. We genuinely appreciate the **Western Sumi Hoho (WSH)**, **Western Sumi Baptist Akukuhou Küqhakuku (WSBAK)**, **Western Sumi Totimi Hoho (WSTH)**, **Western Sumi Students' Union (WSSU)**, **Western Sumi Youth Front (WSYF)** and all other affiliated wings for their collaborative effort with Livingstone Foundation International and the District Administration in making our Quarantine Centre as one of the best centres in the State. I am equally grateful to various political parties, civic bodies, organizations, government officials and individuals who have been and are still helping us on a daily basis. We truly appreciate this great human endeavour of yours and for showing human dignity and love above everything else. Alone we can do little but together we can do so much for our society.

In the present situation when most of the people are undergoing fear and pessimism, the **selfless dedication of the Sumi community** towards this humanitarian cause should be an example for all the others to be emulated. Instead of seeking momentary satisfaction of our tribalistic egos, we have to stand together and fight the stigma associated with this disease that has wrecked havoc throughout the world. I personally believe that your dedicated and selfless efforts will create a sense of positivity and human kindness among our people. I also encourage the quarantinees to be optimistic and grateful while at the same time seek God's blessings everyday of their lives. Please do not feel isolated and lonesome as we are always there for you as your family. As we journey through this pandemic together, let's be torchbearers of human kindness and shine the light on humankind.

**PRAYER SECTION**

**Intercessory Prayer for Covid-19 Pandemic**

Infinite God in whom we have our being,  
we thank you for granting us this new month.  
We now desire to offer our supplication unto you.

Oh Lord we commend to you our dear inmates  
who are allotted here, help them to lean on you  
and enable them to comply with all norms and procedures  
and as they mingle with different types of people,  
help them to find favor in the eyes of everyone.  
We do pray for the parents and guardians  
not to worry but to leave their loved ones in thy hand.

Loving Jesus you have gone into every agony  
that we go in today's world,  
please intervene into the life of our people  
who are suffering from the dreaded virus  
and grant them quicker recovery  
and for all who work in Hospitals, homes and centres  
give them skill and tenderness, cheerfulness and patience.

We implore you to bestow special favor on the front liners  
and the administrator and staffs of LFIS for allocating  
the institution to serve as a quarantine centre.

Oh Lord go forth with us in this time of crises  
that may everyone of us together fight the pandemic  
leaving aside all our differences,  
and reminding us not to swift from our hospitable nature  
rather to give shelter to the weak and the weary.

God of provider we do remember the churches,  
organization, family and individuals for their kind deed at times  
when we needed the most, may they lack nothing from you.  
We desire to add our humble supplication upon your anointed serv-  
ants  
who are and who will be propagating your message,  
use them and may their message be a healing balm.

We'd, furthermore, intercede for all stranded citizen  
who are yet to arrive  
may they safely reach their intended destination.  
We lift up these prayer in the name of our Lord Jesus Christ,

Amen.
